

Divine Saviour, Prince of Peace,

Help us not to crave the power we want;  
help us to accept your peace that we need.

Inspire us not to embrace the wealth we like;  
but the poor who need us so much.

Guide us not to accept the easy way of deceit and violence;  
but to walk with the victims of persecution and war.

## MERRY CHRISTMAS AND HAPPY NEW YEAR

May the Manifestation of God's goodness and tenderness,  
in his Son, Jesus Christ, the Saviour of the world,  
continue to inspire us today and always!
